ESG176730

ADDITIONAL INFORMATION 2

Anglo Design Holdings PLC Attestation With Regard To Annex III C 2004/104/EC

ANNEX III C

Applicant: Anglo-Design Holdings PLC

Product Name: TransVu

General Description of the Product:

Automotive digital video recorder capable of recording multiple cameras simultaneously.

Installation conditions:

The system must be securely fastened to the base plate TRVU-MPLMW using vibration mounts TRVU-EXSM, both components are supplied with the unit. Refer to the installation manual *transvu_installation_manual.pdf* for unit fixing and placement.

We confirm that the product described above is not immunity-related in accordance to Directive 72/245/EEC, as last amended by Directive 2004/104/EC, for the following reasons:

- The unit operates independently and is not connected to any management system on the vehicle.
- Installation of the system is within a locked enclosure and so in no way disturbs or distracts the attention of the driver.
- The system has no audible functionality to alert or distract the driver of unit failure.

Any testing according to immunity as defined in the Directive is not required. This ESA can be used on any vehicle.
